2. Can be used to offset the cost of the stipend if a course has low enrollment

3. How to accommodate/facilitate growth

#### E. CGS National Association Event Tuition:

**The general maximum grant award is 60% of total cost. Our goal is to support the development and growth of atria that request assistance. However, this does not imply we will be able to cover all costs for the program.**

### Considerations for Financial Aid (scholarship) Applicants:

- **Faith Community Support:** We expect the parish to have a financial investment in Catechesis of the Good Shepherd. We desire to work with parish priests to fund CGS catechist formation.
- **Nationally Approved Course:** The course you enroll in will normally take place in the Archdiocese of Kansas City, KS. It must be led by a CGS Formation Leader recognized by the CGS National Association OR be sponsored by the SonFlower Region of Catechesis of the Good Shepherd.

**CGS Call To Share Fund Grant Application should be completed and emailed to:**

*Disbursement of any awarded funds will be made to the church or non-profit organization and will not be made to an individual.*
