Join us as Ms. Marilee Quinn gives a reflection on the Eucharist as we present it to the 3-12 year old child. Sofia reminds us that we give the youngest children the most essential truths of our faith. As they grow, we only provide more detail. What have the children shown us to be the most essential truths of Eucharist? Do we ever tire of pondering the depth of relationship the children show us in the atrium? Let's explore this together.

Marilee Quinn has been serving children as a catechist in all three Levels for 30 years. She has been an adult formation leader for 25 years and offers formation for Levels 1, 2, and 3 in Kansas, Oklahoma, and Texas. She has served on the CGS Sonflower Regional Board as well as the CGS National Board. She currently serves on the National Discernment Committee and on National Formation Teams. With a degree in Early Childhood and an AMI teaching certificate, she is a full time Montessori Guide, integrating CGS into the Montessori Classroom. Four grandchildren give her wonder and joy.
